(address where it is being moved to)

### Ontario Building Code:

- Does the building exceed three (3) stories in building height? yes  no   
 Number of stories above grade: \_\_\_\_\_  
 Number of stories below grade: \_\_\_\_\_
- Does the building exceed 600m<sup>2</sup> (6,458ft.<sup>2</sup>) in building area (footprint)? yes  no   
 Building area to be demolished: \_\_\_\_\_
- Does the building contain pre-tensioned or post-tensioned members: yes  no
- Will the proposed demolition extend below the level of the footings of any adjacent building and occur within the angle of repose of the soil as drawn from the bottom of the footings: yes  no
- Will there be any explosives / lasers used during the course of demolition? yes  no

If the answer to any of questions 1 to 5 is yes, the applicant shall retain a Professional Engineer to undertake the general review of the project during the demolition. Furthermore, the applicant shall submit a completed General Review Demolition Commitment Certificate and letter detailing the structural design characteristics of the building and method of demolition.

- Is the building listed as a non-designated property on the Township of Scugog's Heritage Register? yes  no

Inclusion on the Township of Scugog's Heritage Registry provides interim protection for sites undergoing change by require landowners to provide the Township with at least 60 days notice of their intention to demolish or remove a building or structure on the property. This notice period allows the Township to make a well informed decision about whether long term protection of the property should be sought through a formal designation process. The Scugog Heritage and Museum Advisory Committee may make a recommendation to Council to designate the property. If Council proceeds with designating the property, the owner can appeal Council's decision to the Conservation Review Board.

### Relocating a Building:
